

Public Hall, Lodi, California, May 16, 1910.

The Board of Trustees of the City of Lodi convened in regular session. President G.E. Lawrence presiding and the following other members of the Board being present: J.M. Blodgett, C.A. Rich and L. Villinger. Absent: F.O. Hale.

The Minutes of the Previous Meeting were read and approved.

The following applications for Building Permits were read and granted:

G. Greenwell, back porch and sleeping room, Lots 5 & 6, Block 9;

E.C. Cary, frame building on Lots 5 & 6, Block 23;

L.E. McClung, private barn on lots 3 & 4, Block 6.

A representative of the Burrough's Adding Machine Co. was present, but no action was taken.

Several patrons of the Water Co. were present and complained of poor service in the supply of water. On motion regularly made and carried, Trustee L. Villinger was appointed a committee to see Cary Bros. and ascertain the reason of the poor service and if it could not be improved.

A communication from Judge Jones giving his opinion in the matter of the application of the Cherokee Lane Telephone Company~~xx~~ to place poles on the streets of the city was read and the Clerk directed to send a copy of the same to said company.

Upon motion of Trustee Blodgett, seconded by Trustee Rich, the bill of Appleton and Frederickson Bros., as approved by the Committee on Sewer Construction and the Engineer in charge, was allowed and ordered paid in the sum of \$3789.90; whereupon a warrant for said amount was drawn in favor of The First National Bank in accordance with the provisions of an assignment made by Appleton and Frederickson Bros. to said Bank.

Appleton and Frederickson stated that the reason the trenches had not been puddled was difficulty in getting the necessary water.

Trustee Blodgett informed the Board that some of the members of the Improvement Club had asked him to find out if anything could be done by the City in regard to filling in the park at the railroad. It was the sense of the Board that they would be willing to furnish water, but would do no filling in.

A contract was presented to the Board by the Southern Pacific Company in regard to the running of sewer pipe under their

trax and, therefore, the following resolution was introduced by Trustee Rich:

WHEREAS, the City of Lodi is now constructing a Sewer System; and,
WHEREAS, it is necessary for the proper construction of the same that sewer pipe be laid over and across the railroad right-of-way of the Southern Pacific Company; now therefore be it,

RESOLVED, that the President of the Board of Trustees of the City of Lodi is hereby authorized and directed to procure from said company all rights-of-way necessary to the proper construction and maintenance of said Sewer System and to sign and execute in the name of and on behalf of said City all contracts and papers necessary to that end.

Upon motion of Trustee Rich, seconded by Trustee Blodgett, the foregoing resolution was adopted by the affirmative votes of Trustees Blodgett, Rich and Willinger.

It was moved and seconded that the Street Committee advertise for bids for sprinkling with the four-horse wagon, bids to be opened at the meeting of May 23, 1910. Carried and so ordered.

It was moved and seconded that this Board do now adjourn until Monday, May 23rd., 1910, at the usual hour and place. Carried.

Attest:

J.M. McMahon
City Clerk.
